February 19, 2020

Metarom USA is committed to provide safe and wholesome products to its customers. A plan has been established to ensure processing facilities in compliance with all requirements of the Bioterrorism Preparedness Act including traceability and records retention. All facilities are regulated by the Food and Drug Administration (FDA) and are FDA-registered. Metarom USA's partially redacted FDA Registration Number is 95909. The specific facilities are listed below.

Production Facility

1725 Gillespie Way, Suite 101
El Cajon, CA 92020

Rick Wilson
Executive Vice President, Operations
